# The Cinq Mondes Adventure

Since its inception in Paris in 2001, CINQ MONDES has resolutely specialized in professional spa treatments inspired by traditional medicines. The brand revamps beauty rituals from around the world with its characteristic refinement, efficacy, and appeal to the senses. Its treatments address not just the skin and body, but also energies and emotions. Our team of spa-therapists and facialists have adapted these regenerating and balancing techniques, originally from various different continents, to offer you a fully immersive, holistic break from your everyday life.

# the face

Each of our Facials is a technical yet relaxing experience that brings out the beauty in everyone. Each of the Cinq Mondes products used during the treatment respects the principle of Skin Dietetics®, offering targeted and tailored effectiveness.
